Welcome to Ifield Smile.

We deliver a wide range of training sessions for parents and carers of children and young people with special educational needs.

Most courses are free, although some do have a nominal charge to cover some administrative costs.

The Ifield Parent, Teacher and Family Association (PTFA) also hold coffee mornings throughout the year at Smile. Please look on the Ifield website for dates of forthcoming events. We would warmly welcome any new guests and feel that it is an informal way of meeting other families of children with special educational needs.

It will be an opportunity to meet with other parents and gain further knowledge to support your child in a caring, nurturing environment; share and exchange ideas and strategies which work well for you. Parents will also be signposted to useful local services, activities and facilities.

These sessions offer a mixture of helpful presentations by experienced guest speakers (eg from the Kent Autistic Trust) focusing on topics of interest and real concern to parents as well as more informal, social sessions. All sessions aim to provide opportunities for discussing specific issues together.
