Life Skills:

Please take photos and write notes on the life skills below. Please bring them into school next week.

- Setting the table.
- Washing up.
- Doing the laundry.

Remembrance:

Please select an activity that is suitable for your learning.

- Craft ideas:

Printing using apples cut in half.

Poppy wreath

Poppy handprints

Creating poppy biscuits using icing sugar, food colouring and biscuits.

Poetry:

We began looking at war poetry earlier in the week (see document). We focused on the language and identifying rhyming words.

Your challenge is to create your own poem and bring it to school to share. To help, you could:

- Use the acrostic poem template.
- Get ideas from the war poems we have been reading.
- Use the symbols to help you (see 'possible poetry vocabulary' document).
