Date: 26th June 2026

Time: 13:30 – 15:30

Ifield SMILE, Cedar Avenue, Gravesend, DA12 5JT

We are delighted to invite parents and carers of Ifield to our “Understanding Relationships and Sex Education” workshop.

This workshop will cover:

- What we teach in Relationships and Sex Education (RSE) at Ifield
- How to talk to your child about relationships, consent and growing up
- Tips to support your child at home

We want you to leave the session with an enhanced understanding of the curriculum and its importance, as well as feeling confident in discussing RSE with your child. This will ensure that children at Ifield receive optimal support both at home and in school.
