

# ifutures: The Ifield Careers Programme

## Your Guide

The Ifield careers education programme, ifutures, has been

developed to meet your needs. We have developed a

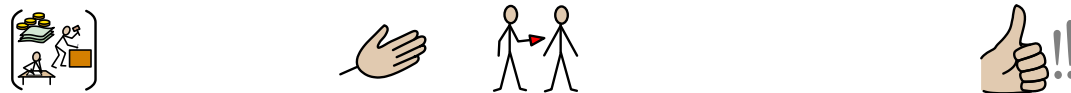

network of careers advisors, employment partners and partner

schools. This enables us provide you with appropriate

careers advice and support. You will then have the best

opportunities available to you when choosing the pathway

to employment that is most suited to you. At every step

of the way trained support staff, work placement

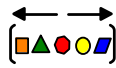

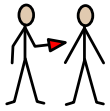

supervisors and advisors will be there to help you to do

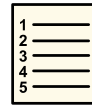

the things you want to do.

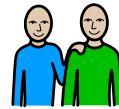

You will be doing a range of jobs within school

from primary to 6th form,. Delivering registers, collecting

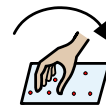

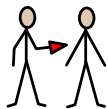

photocopying, making snack for your friends. In key stage 3

**KS3**

and 4 you will have opportunity to try a number

**4**

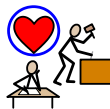

**123**

of certified career options. There will also be a number of

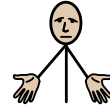

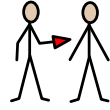

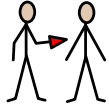

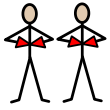

cross-curricular careers projects and workshops. In year 10

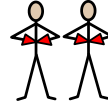

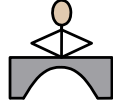

you will have a dedicated work experience placement.

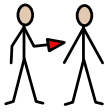

We will teach you the skills you need to

complete tasks that employers' value. We will support

you to gain meaningful accreditations and write your

CV.
