

To All Parents and Carers

We would like to offer you the opportunity to come along to an Occupational Therapy Workshop!

Training will be held in the Smile Centre on the 18.06.2026
From 9:00am - 11.00am

This will include information about strategies that are being used successfully at school, as well as helpful advice and practical strategies to support you at home.

You will learn about and gain some basic knowledge of the following:

- The strategies and interventions that are being used in school.
- The different equipment and resources and why they're being used.
 - Supports for sensory needs and how and when to use them.
 - The importance of being proactive not reactive.
 - Ideas for supporting pupils at home.

We hope you can join us!

Please inform us of your attendance by emailing the School Office before the 15.06.2026
