Easter

Easter is a special day for Christians and is celebrated by many people around the world. Some believe that 'Easter' gets its name from 'Eastre', a pagan goddess of the spring. Before Easter is Lent - when Christians pray, fast and reflect on Jesus's time in the desert. Easter Sunday, at the end of Lent, is a celebration of Jesus rising from the dead. It is a moveable festival and usually falls between March 22nd and April 25th.

An old German story tells of a woman who decorated eggs and left them for her children to find. The children thought the eggs were left by a rabbit, which they saw hopping away. This is where the idea of the Easter bunny comes from. Eggs are a symbol of Easter, as they represent new life and people traditionally paint and decorate them at this time. People also give chocolate eggs to their friends and family. Other fun traditions include wearing an Easter bonnet and having an Easter egg hunt.
