General Information

Welcome to the Diamond Class newsletter. Our topic this term is 'Animal Care'. We will be developing self help, confidence and independence skills both in and out of the classroom.

Homework and contact

We will be putting together some ideas for things that you can make and do at home with your children. These will include sensory activities and items to make, use and share.

Thank you for using the Home/School Journals, the comments we receive are really helpful; please do continue to let us know if you have any concerns or achievements you would like us to celebrate.
