

SMSC

We aim to equip pupils with knowledge, understanding, attitudes and practical skills to live healthy, safe, fulfilled and responsible lives.

Quality of Education: Ensure that learning meets pupils’ needs through a relevant curriculum, appropriate resources, suitable interventions and high expectations.

Learners will . . .

- Be encouraged to
- Develop knowledge and insight into values that will enable them to reflect on their experiences in a way that develops their awareness and self-knowledge
 - Develop an appreciation of the world in which they live and develop their sense of awe and wonder
 - Begin to distinguish right from wrong
 - Be encouraged to relate positively towards each other, take responsibility of and participate in community activities, to the best of their ability
 - Be encouraged to understand how to be a responsible citizen
 - Have the opportunity to develop their awareness and understanding of different cultures, traditions and diversity
 - Develop their understanding of valuing and respecting all members of our community
 - Understand that we are all unique and that everyone is equal

- Enable pupils to tolerate, co-operate and participate in a range of activities and learning opportunities that involve sharing and turn taking thus becoming an acceptable member of a group.
- Encourage pupils' awareness of their own personal needs and preferences and their ability to make decisions and accept responsibility.
- Enable pupils to achieve the maximum possible independence in their personal care.
- Establish appropriate channels of communication which enable pupils to express their own personalities and take an active part in social situations.
- Offer pupils the opportunities to develop the skills of self-advocacy and assertion.
- Provide pupils with the skills, language and strategies they need in order to live healthy, safe, fulfilling, responsible and balanced lives.
- Provide opportunities to develop positive personal attributes such as resilience, self-confidence, self-esteem, and empathy.

Teachers will . . .

Inspire pupils to learn through memorable experiences and linked cross-curricular opportunities.
