 Friday: Rainbow Room / PE / Food

General Information

We have had a wonderful start to the new academic year! This term our topic is 'Sub Zero'. We would love to celebrate adventures your son / daughter had over the Half term holiday. Please could you send in some photographs of your child. If you would like to send this electronically, please email them to our school office.

Homework and contact

Thank you for using the Home/School Journals, the comments we receive are really helpful. Please do continue to let us know if you have any concerns. Please read/ share a book with your child every night. Please ensure that your child has the appropriate named clothing for activities we are doing such as PE kit, wellies, coats and jumpers.

PSED

Wren Class have begun to develop some wonderful relationships. In PSED our main focus this term is continuing to develop relationships, particularly between the peers and themselves during Attention Autism sessions and a variety of opportunities for turn taking activities. Daily, students are encouraged to express preferences and decisions through a Total Communication Approach.

Communication Interaction

Intensive Interaction is integrated throughout our day. It supports our pupils to enhance their social communication through developing the Fundamentals of Communication. There will be personalised focus on speech and language targets to facilitate early communication with a range of communication partners, including Curiosity Programme, Attention Autism, EHCP targets and 1:1 interventions.

Understanding of the World

We will be beginning our focus on Understanding the World, by establishing our 'Class Rules' and Routines. Linked to our topic 'Sub Zero' students will have the opportunity to explore and play using small world reconstructions focusing on looking at similarities, differences, patterns and change in nature.

Expressive Arts and Design

This term we will be focusing on exploring colours mixing and colours. The pupils will be introduction to a variety of textures and colours through tactile materials. Activities will include finger painting with textured paint, feeling different fabrics and exploring sensory bins filled with materials linked to Sub Zero i.e. Ice, polar bears, snow and Christmas decorations.

Food Tech

Each week the students will be taking part in cooking lessons. Food Tech lessons will take place on a Wednesday and will often be linked to our topic, such as making snow ball cookies linked to the book Snowball.

Music

Every week we have a music lesson and Gong Therapy session. Pupils will be working towards their Christmas performance through personalised musical targets. This will include the use of tuned/untuned percussion, and movement to music using material.

Foundations for Literacy

Pupils will continue to develop their communication through Objects of Reference, PECS, Makaton, Colourful Semantics and communication boards. Our learning time will include: Attention Autism and the Curiosity Programme. Pupils will continue to develop their fine motor, mark-making and handwriting skills through a range of activities, including Write Dance, Dough Disco and sensory trays.

We will have story sessions daily including story sacks and sensory stories. Each student will share a story with an adult. Either 1:1 or in a small group.

Linked to this terms topic 'Sub Zero' stories will include 'One snowy night by N Butterworth' 'Snowball by Hendra and Linnet' 'The storm whale in winter by B Davies' 'Squirrel's Snowman by Julia Donaldson' 'A Thing called Snow by Y Sommer'

Physical Education

Pupils will have a PE lesson every Friday. They will develop their gross motor skills and co-ordination. Please ensure your child has a named PE kit which can stay in school.

Foundations for Mathematics

Pupils will be following a personalised maths plan. Each week we will be focusing on a different mathematical concept exploring grouping and sorting such as; shape sorting and puzzles, days of the week and counting. There will be a variety of opportunities to explore these concepts as part of our learning time and our continuous provision.

Life Skills

The pupils will develop their life skills with the preparation of snack everyday, personal hygiene and activities to encourage social interaction and turn taking. We will be visiting Ifield Life. This will provide a realistic and thoroughly enjoyable learning experience with a clear emphasis on developing Independence as part of the Ifield Life Programme.

PE Enrichment

This term Wren Class will be going to Larkin Farm and then having a weekly swimming session in the school hydro pool. The students will have the opportunity to develop their water confidence and swimming skills, with the support of class team and a swimming instructor. The swimming lessons will happen on a Thursday morning.
