Please share books with your child every day.

Please support our use of PECs and/or communication boards or AAC's by practicing at home as often as possible.

The Home/School Journals are in place for us both to write in so we can keep each other up to date about your children.

If you have any questions please contact the school office or speak to one of the team when dropping off or picking up.

### Ideas for home:

- Make some fake snow with 2 1/2 cup baking soda and 1/2 cup white conditioner and mix.
- Make a snowflake and practise cutting skills by folding white paper and making cuts, then unfold to see the pattern.
- Freeze a motivating toy/object in ice and try to 'set it free' with warm water or hammers.
