Thursday: PE Enrichment
Friday: PE

General Information

Here in Kingfisher class, we are all looking forward to this exciting new term. The topic for this term will 'Lights, Camera, Action.'

Homework and Contact

Thank you for using the Home/School Journals - the comments we receive are always useful; please continue to let us know if we can help with any concerns or if there is anything interesting to tell us.

Interventions

Tacpac, Intensive interaction, sensory circuit and sensory stories are daily interventions which meet pupils sensory needs and develop communication and interaction skills, along with Attention Autism and the Curiosity Programme.

Preparing for adulthood

Pupils will be focusing on key areas, including: developing independence, health and well-being and social/community engagement through a range of exciting activities, including educational off-site visits, brushing hair and teeth and expressing preferences and making decisions.

Communication

Pupils will work on personalised speech and language targets. Pupils will be encouraged to communicate with a range of communication partners. They will engage in a number of activities, including, singing songs, Intensive Interaction and The Curiosity Programme.

Maths

Kingfisher class will be exploring the concepts of more and less, grouping and sorting and problem solving, including completing inset puzzles.

Topic

In our topic work this term, we are focussing on "Lights, Camera, Action". We will be engaging with core texts; Pumpkin Soup, How to Catch a Star and Christmas Lights.

English

Pupils will continue to develop their communication and literacy skills.

Pupils will develop their mark making skills. They will engage with our core texts, sensory massage and sensory stories.

Employability

Kingfisher class pupils will be focussing on developing their social skills through group activities, such as PE and turn taking games. They will learn to recognise and follow routines and start to recognise special times and events, such as Christmas, Birthdays.

PSED/Citizenship/RSE

This term we are focusing on emotions and self-regulation and starting to seek out comfort and interactions from a specific person.

Digital Skills

Pupils will be investigating how things work, electricity, all things shiny and how to operate simple equipment, such as torches.

PE Enrichment

Pupils will take part in various activities throughout the school year, including physical development activities, such as swimming and off site visits.
