Monday: PE
Thursday: PE Enrichment
Friday: Arts Award

General Information

Welcome back to Term 5, Swan Class! Last term, some of our students were very busy with preparing for their Functional Skills English and Maths exams. They worked so hard and listened well to feedback given to them on how to prepare for them. The students also had an exciting opportunity to go to visit the Woodville Halls after support with ideas for the author or the Inter Galactic Show.

Homework and Contact

Thank you for using the Home/School Journals. The comments we receive are really helpful and highlight how a pupil may require extra support during the day. Please do let us know if you have any concerns.
Please read/ share a book with your child every night.
Please ensure that your child has the appropriate named clothing for activities we are carrying out, such as: PE kit, swimming kit and jumpers. Thankyou

Functional English

This term students will be focusing on different fiction and non-fiction texts linked with food.

Students will be looking at how they can develop and use their filmmaking skills when working on challenges linked to foods.

Students will also be developing their skills of how to use capital letters, full stops, question marks and exclamation marks. They will also be working on spelling rules.

Students will continue to take part in guided reading sessions where they will have the opportunity to discuss texts and develop their comprehension skills.

Maths:

This term students will be focusing on recognising the properties and names of 2d and 3d shapes. They will be making sure they can recognise money and will be applying their knowledge to solve simple addition and subtraction calculations relating to finding totals and giving change. They will be focusing on the vocabulary relating to Maths.

Preparation for Adulthood

This term students will be learning about money, what to spend it on and how to use their money wisely.

They will also think about banking and learn how to read a bank statement.

Digital Skills:

This term students will be:

- Identifying icons and their meanings.
- Finding items for a specific purpose online, linked to food.
- Identifying how to access Wi-Fi and troubleshoot problems.
- Creating a document linked to food, with specific criteria to follow. Internet safety will also continue to be discussed.

This term we will take part in Arts Week. We will explore art and culture from Brazil.

Employability:

This term students will focus on pre-employability skills and work place rules. They will continue to develop their outside areas and to take on more responsibility within the school.

Personal, Social and Emotional Development:

This term the focus will be on wellbeing and developing coping strategies when things do not go as planned or if we are not feeling our best. We will also continue the content from last term.

Physical Education:

Pupils will explore a range of activities focused on athletic performance, including running, throwing, and jumping. They will also have the opportunity to design and develop their own fun games and challenges, helping to prepare exciting ideas for Sports Day.

Religious Education:

In R.E. Students will be exploring why people pray. They will be discussing questions such as:
Which places are special and why?
What makes some places sacred?
If God is everywhere, why go to a place of worship?
How do people pray?

PE Enrichment

PE Enrichment will be every Thursday afternoon.

This term students will be participating in a chosen area of learning. They have chosen one of the following activities: invasion games, target games, striking and racket games or social skills.

Term 5:

Food Journeys
