Olayinka Oguntade (Teaching Assistant)

Regular events:

PE Enrichment— Tuesday PM Rebound therapy

Swimming—Monday PM. Please make sure pupils bring in their swim kits and swim pads for this day.

PE—Friday PM. Please make sure pupils bring in their PE kits for this day.

Forest School— Tuesday AM

Key Dates: Friday 12th June—Family Disco

Monday 15th June—Sports Day (SLIP—Wednesday 17th June)

Wednesday 1st July—Parents Evening

Tuesday 7th July and Wednesday 8th July—Transition Mornings

Tuesday 14th July—Achievement Evening

Monday 21st July—End of School Year for pupils

This term our focus will be:

'Wheels'

Key Texts:

'The Train Ride'
'Down at the Station'

General Information:

We are looking forward to completing lots of activities linked to our new topic which is 'Wheels', exploring different vehicles and places we may visit whilst we are travelling.

Suncream and Sunhats:

With the hotter weather, we will be applying suncream during the school day. Please send in an unopened, named bottle if you have not done so already. Children will need to stay inside on hotter days if they do not have suncream and a sunhat.

Homework and contact:

Please share books with your child every day.

The Home/School Journals are in place for us both to write in so we can keep each other up to date about your children.

If you have any questions please contact the school office or speak to one of the team when dropping off or picking up.

Ideas for home:

Please continue to share the fun you have at home and the toys and games your children like play with, we love to see and hear about the things the children have been doing.

Foundations for Literacy

In English we will be exploring a range of books/ rhymes featuring vehicles, including 'The Train Ride' by June Crebbin.

'Duck in a Truck' by Jez Alborough.

'Down by the Station' Nursery Rhyme.

Foundations for Maths

During our Maths focus sessions we will be looking at Number through songs and rhymes. We will be counting the number of wheels on different vehicles and use money to buy tickets for the train. We will have an awareness of time such as morning/afternoon/day/night, thinking about the structure of our day.

Art/Design

This term we will be linking or joining construction toys and using varied materials to build different vehicles.

Understanding the World

This term we will be learning about how objects with wheels move. We will be exploring pushing, pulling or spinning an object to see how it moves. We will investigate how far they can get an object to move using ramps with different surfaces. We will be listening to and identifying different sounds in the environment.

Therapies

Beech Class will be accessing

- Cleverfingers
- Write from the start
- Gong Therapy
- Therapeutic Music
- Brushing
- Compressions
- Sensory Circuits
- SLIC support
- OT support

As required following observations and Assessments by our therapists

Fine Motor Skills

Beech Class will have lots of opportunities to develop their fine motor skills. We will be using different tools to manipulate play dough and other sensory materials. We will be putting together different construction equipment to make vehicles.

PSHE (Personal, social and health education) and RSE

Beech Class will continue to be learning about right and wrong and making the right choices.

We will be learning about how to cross a road safely and keeping safe when out and about.

Physical Education

Pupils will continue to prepare for Sports Day by becoming familiar with key movements and target-based games they will take part in. Through practice and repetition, they will build confidence, coordination, and understanding of the activities in a supportive and enjoyable environment.

Communication/Language

Personalised Speech and Language targets will be created to enable early communication. These include initiation, nursery rhymes, Curiosity Programme, Attention Autism (Explore only), EHCP targets, 1-1 interventions, and Intensive Interaction.

PE Enrichment

Pupils will have PE Enrichment on Tuesday PM- Rebound therapy

Music

Pupils will continue to build their musical skills by engaging with a range of percussion and tuned instruments. They will be supported to explore these instruments at their own pace and encouraged to develop their creativity by composing their own melodies.
