Amber Stillings (TA Wed-Fri)
Jasmine Humphries (TA Mon, Tues and Fri)

Experiences/visits/visitors

Regular events:

Monday: PE
Thursday: PE Enrichment
Friday: Arts Award

General Information

Welcome back to Term 6 Swan Class! Last term, some of our students completed their Functional Skills Assessments. Students worked hard with preparing themselves for these. We also had Arts Week where the students flourished with their creativity. We are now heading into our final term of this academic year and we wish you all a successful transition to Year 11 or Year 12.

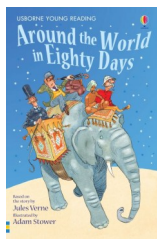

Homework and Contact

Thank you for using the Home/School Journals. The comments we receive are really helpful and highlight how a pupil may require extra support during the day. Please do let us know if you have any concerns. Please read/ share a book with your child every night. You could also talk about the meaning of lyrics in songs and the meaning of films you watch together. Please ensure that your child has the appropriate named clothing for activities we are carrying out, such as: PE kit, swimming kit and jumpers. Thank you.

Functional English

This term students will be focusing on the narrative 'Around the World in 80 Days' by Jules Verne. They will use their writing skills to write in a range of genres e.g. adverts, wanted posters, newspaper reports, letters and tourist guides.

Pupils will continue to develop their reading comprehension skills through a range of fiction and non-fiction genre, focusing on extracting information from simple texts.

Pupils will have the opportunity to practice their speaking and listening skills through role play, discussions and debates around real-life familiar topics.

Maths:

This term pupils will continue to learn about money. They will also recap their addition and subtraction skills through learning about length and measure. They will continue to develop their multiplication and division skills through the term.

Preparation for Adulthood

This term pupils will continue to explore how to spend their money wisely.

They will also think about personal hygiene and developing their independence with daily hygiene routines.

Digital Skills:

This term students will be:

- Identifying icons and their meanings.
- Finding items for a specific purpose online, linked to food.
- Identifying how to access Wi-Fi and troubleshoot problems.
- Creating a document linked to food, with specific criteria to follow. Internet safety will also continue to be discussed.

Employability:

This term the pupils will explore different job roles to find out which job or career may fit their skills and interests, e.g. by reading job descriptions.

Personal, Social and Emotional Development:

Pupils will continue to work on internet safety through the course of this term. They will also explore, research and discuss safe use of drugs.

Physical Education:

Pupils will continue to explore range of activities focused on athletic performance, including running, throwing, and jumping. After sports day, pupils will be able to choose from a variety of on-site and off-site physical activities, to ensure they focus on the enjoyment comes with making healthy choices.

Religious Education:

In R.E. Students will continue to explore why people pray. They will be discussing questions such as:
Which places are special and why?
What makes some places sacred?
If God is everywhere, why go to a place of worship?
How do people pray?

PE Enrichment

PE Enrichment will be every Thursday afternoon.

This term students will be participating in a chosen area of learning. They have chosen one of the following activities: cycling, parks, gardening & forestry or skiing.

Term 6:

Getting There!
