Our Theme this Term: **Moving on**

Regular events:

Monday: Preparation for Adulthood small group activities both on and off-site. These could include the local and wider communities. Options - each student will have chosen the activity they would like to do every Thursday. If your child has chosen an outdoor activity, please ensure that appropriate footwear and clothing is brought in each week.

Friday: Enrichment (pm) - All students are given a choice of activities including art, music, walking, bowling or swimming. The emphasis here is on well-being and enjoyment. Please ensure that your child either

General Information/Special Events

As we progress through the Winter months please ensure that your young person has appropriate clothing and footwear for the activities they are taking part in. We do have outside space for use at breaktimes and in addition we will be continuing with our weekly Community Action Street Champions project out in the local area so warm clothing and sensible footwear will be a must.

Homework and contact

Thank you for using the Home/School Journals. The comments we receive help us to understand and support your young person. Reading or sharing a book or magazine or article of interest with your child every night or as often as possible, will really improve their literacy. Please, also ensure that they have the appropriate clothing (with name label) for activities.

English

This term our topic is moving on. Students will be able to share experiences about moving on throughout their lives and learn about peer experiences and be able to evaluate their own.

We will also be researching a variety of community and nationwide events. This will help us to devise and plan our own event, which the students will present.

We will continue to improve our spelling, grammar and punctuation and those that need to, will sit for their speaking and listening assessments in English.

Enrichment

Term 6 activities will be swimming at Cascades, bowling in Medway, walks in the local area, art and music. Bowling has been an extremely popular choice.

Maths

During our Maths lessons we will be using both the Numicon and White-Rose Maths curriculum and resources.

This term we will be learning about data and how we can display and interpret it. We will be using a range of different apps that we could use to help use understand data.

We will learn how to draw a range of tables and charts and how we can use these in every day life.

ASDAN

For the final term of this academic year we are working on a mini project which involves planning a journey. We are planning a journey on the bus to Bluewater. This involves carrying out lots of research and thinking about problem solving. We will make the journey during Term 6.

Developing Independence

During Term Four we will be continuing to develop culinary skills for the home. This term our focus is on getting creative with picnic foods. We will include some learning about healthy foods and also health and safety advice about keeping foods at a suitable temperature.

Work Experience

On Mondays this term Emerald Class will be visiting the school woodland to develop practical outdoor skills and learn how to use the tools safely and responsibly. The students will be encouraged to work collaboratively. There will also be some opportunities for students to experience the well-being glade, go metal detecting and take part in

Digital Skills:

Digital skills this term, we will be looking at keeping ourselves and our information safe, while shopping online. We will be looking at bank accounts and how to use our bank cards safely.

RSE/PSHE (Relationships and Sex Education/Personal, Social and Health Education):

We will learn about keeping ourselves, our money and information safe when we interact face to face and online.

We will be discussing making decisions about money and continue to learn about income and expenditure. We will also learn about how our information can be used by others.

Enterprise

The students will have the opportunity to make a range of items connected to different celebrations and key events throughout the year. They will also have the opportunity to plan and evaluate future projects.
