

Home Learning Bingo

Draw a self-portrait and label your body parts.	Go on a bug hunt in your garden – can you name any creatures you find?	Make a model out of something (e.g. Lego, blocks, junk modelling). Write a simple sentence about your model.	Sing as many nursery rhymes as you can.
Find a recipe and follow it together.	Play a family board game or card game.	Read at least one story every day.	Go on a shape hunt in your house (e.g. circle – clock sphere – ball cube – box rectangle – window).
Find something that is taller and something that is shorter than you.	Make something for someone to make them smile.	Watch a Numberblocks episode each day. Talk about what happened in the episode.	Write the numbers 0-20 on cards, shuffle them up and put them in order
Use flour and water to make play dough.	Start a diary, writing a sentence for every day you are at home.	Collect sticks (or pencils, or matchsticks) to play Pick-up Sticks with.	Access free phonics resources at www.phonicsplay.co.uk
