

These are English Functional Skills practise papers which consist of spoken language, reading and writing.

As part of practising the skills our learners need to access English and in particular to use their functional English Skills we work on these in class, having a go then talking through errors and areas of development. One useful tip for learners is to highlight the important words in a question then in the text in order to make links and find the answers.

These papers are divided into 3 levels Entry 1 Entry 2 and Entry 3. Information regarding your child's level is available if you do not know please email the school.
