

Safari Dust

Edible Sensory Recipe

You will need:

Packet of cream crackers

Food processor

Large dish or tray

Method

1. Empty the crackers into the food processor.
2. Blend the crackers until they resemble very fine breadcrumbs.
3. Spread in the tray and have lots of fun exploring the safari dust.
4. You may like to add toy safari animals and vehicles.

*Please note that although this recipe is safe for children to taste and explore with their mouths, it is not intended for them to eat in large quantities.

This recipe is intended to be used as soon as it has been made and not to be stored for future use. **Supervise children at all times to ensure that small non-edible items do not become a choking hazard.
