maths

I can use a number ladder for amouts **5** up to 5

Please give your child varying amounts between 1 and 5 small objects or counters to place on the number ladder

Your adult will give you counters. Line them up on the number ladder. Trace the amount you counted out.

1	2	3	4	5

1	2	3	4	5

1	2	3	4	5

1	2	3	4	5

I can place up to 5 objects on a number ladder
I can count as I place the items
I can remember how many there were and trace the correct amount
