

maths

I can

use

a number ladder

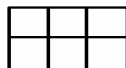

for amounts

10

up to 10

Date:

Please give your child varying amounts between 5 and 10 small objects or counters to place on the number ladder.

Your adult will give you counters. Line them up on the number ladder. Trace the amount you counted out.

1	2	3	4	5
6	7	8	9	10

1	2	3	4	5
6	7	8	9	10

1	2	3	4	5
6	7	8	9	10

1	2	3	4	5
6	7	8	9	10

I can place up to 5 objects on a number ladder

I can count as I place the items

I can remember how many there were and trace the correct amount
