

In My Bucket I Can See

Level 4

My Summer Poem

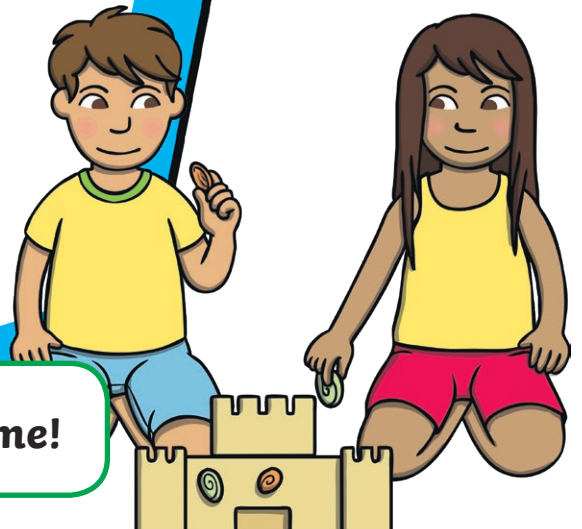

In my bucket, I can see...

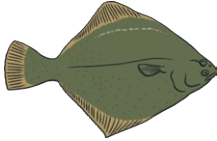

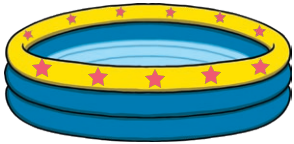

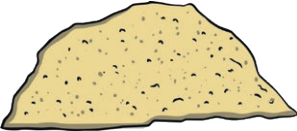

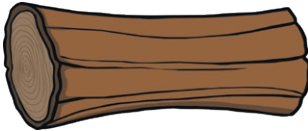

That is what I see

And all were found by me!

Choose 6 items you would like to have in your bucket. Stick them in your bucket and then you can read your poem.

	I can see a big shell.		I can see a green hut.
	I can see a crab.		I like to see a starfish.
	I can see a little flag.		I like to see a red fish.
	I can see some little shells.		I like to see a green fish.
	I can see a ring of stars.		I like to see a fishing boat.
	I can see some sand.		I like to see some driftwood.
	I can see a sharp rock.		I like to see a big ship.
	I can see a deck chair.		I can see a shark.
