

# Memorial Day Poppy Suncatcher Craft

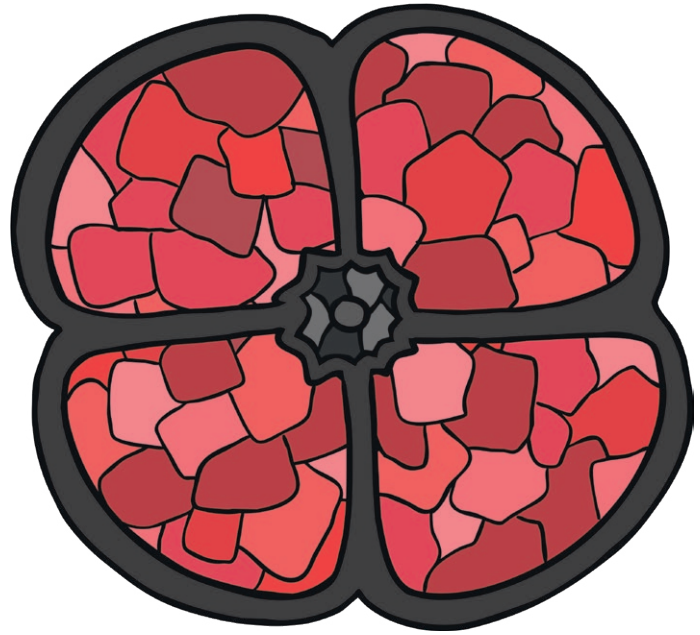

## You will need:

Clear contact paper

Red, white, and blue tissue paper, cut into squares

Scissors

Poppy template included in this resource

## Instructions

1. Cut out the poppy template, following the scissor guide.
2. Next, cut along the inside line of the poppy.
3. Trace the poppy onto the clear contact paper and cut it out.
4. Attach the contact paper to the edges of the poppy with the sticky side facing up.
5. Attach the tissue paper to the sticky side of the contact paper until it is completely covered.
6. Attach yarn or string to the top of the poppy and hang it in a window to create your suncatcher.
