

Fallen Fields

Look at this British Council weblink about the Battle of the Somme. Look at the photograph on page 13 and page 15.

LO: To write a description expressing feelings of the people in the picture.

Write a description of what you see in the photograph. Who can you see? Approximately how many soldiers are there? How far do you think they have travelled? How have they travelled?

Write about how they might be feeling. Think about what they may have experienced.

What questions would you ask these soldiers?

Begin your writing "I will remember..."

You can write on paper or on a Word document. If you want to email your work please send it to Mrs Hargood via this email office@ifield.kent.sch.uk

We will be looking at these photographs in school together and developing our ideas further next week.
