			Hold a door open for the person walking behind you
Remember to say please	Make a picture for your family	Ask someone different to play a game with you	Keep your table tidy today
Tidy your bedroom	Make sure your friends' cup has water in it	Give your family a hug	Remember to share toys with your friends
Use kind words at playtime	Think about your words and make the right choices today	Remember to say thank you	Sit next to someone who looks lonely and give them a smile
Give your animals food and water	Make sure your friends' coats are done up	Pick the toys up off of the floor, even if you didn't drop them	Say hello to someone you don't usually talk to
Say thank you, even if you don't like the gift	Say something nice to your friend	If someone drops something, pick it up for them	Use kind words, hands and feet
Help someone who needs a hand	Make sure your friend is warm and has food to eat	Smile at everyone today	If you have finished reading a book, offer it to your friend
