

Oak Class Home Learning
Week Beginning 14th December 2020

Monday	Tuesday	Wednesday	Thursday	Friday
English	English	Music	History	Science
Pe	Maths	Maths	RE	Art
PHSE	PE enrichment	DT	Life Skills	Food tech

Choose the work that is appropriate for the ability of your child.

Take photos of your home learning please.

Any sheets you complete- make sure you write the date on them and put your name on the back and bring them into school to show us your amazing work 😊

Monday

English

LO: To make a prediction about a story.

Starter

Prediction

Look at 'Aliens in underpants save the world' if you have the book or watch it here:

https://www.youtube.com/watch?v=P_IeMj5GS3M

Just before they begin to sew them (getting them out of the drawers!)

With support brainstorm possible scenarios - what would happen if the aliens did not make an enormous patchwork of pants? What would happen to the meteor? What would happen to the Earth?

Give some ideas if stuck- write on lined paper or next to the printed picture.

Activity

1. Use their phonic skills to write a sentence with support- making sure they say it out loud first.

2. To act out what might happen if the meteor hit the Earth

Afterwards

All pupils to decorate a pair of underpants (black and white outline)

Adult to scribe the adjectives they use to describe what they have done.

Resources

Book, picture of them sewing the pants, pants black and white outline

PE

Go Noodle

If I were not a Go Noodler <https://www.youtube.com/watch?v=jBidsDA410s>

Gobble gobble turkey wobble <https://www.youtube.com/watch?v=jBidsDA410s>

PSHE

L.O. To make a kindness Advent calendar

Starter

Watch a video about the Christian celebration of Advent:

<https://www.youtube.com/watch?v=19WvDZQBxBA>

Activity As we are in the Christian period of Advent, let's make a count down calendar to Christmas. As one of the Christian values is kindness, let's place acts of kindness behind each door to show us different ways to be nice to each other.

Continue with this if you started it next week.

Make sure you pick something to make or do from behind one of the doors.

Tuesday

English

LO: To explore poetry and rhymes about Christmas

Starter

Watch a video with rhymes and poems about Christmas. Talk about the features of a poem. Can we identify any rhyming words (words that sound the same)?.

Twas the night before Christmas

<https://www.youtube.com/watch?v=TdJYvPEdunw>

Activity

Lets see if we can write our own poem about Christmas

Activity 1: Make a Christmas collage

Activity 2: Use CiP symbols to finish the last word

Activity 3: Use the word bank to write the last rhyming word of the sentence.

Maths

LO: To explore 3d shapes.

Counting up in 2s to 20 and back

2d shapes are called 2d because they are flat- 3 d shapes are shapes that stick out (solid)

Watch 3d video clip

<https://www.youtube.com/watch?v=qEmN--EiotU>

Look for real 3 d shapes like footballs - sphere, packets of food for cuboids etc and take photos or draw and write them down.

Challenge

Checking which 3 d shapes roll with support from an adult.

PE Enrichment

Watch and join in an exercise video on You Tube

<https://www.youtube.com/watch?v=T8jI4RnHHf0>

Wednesday

Music

L.O. To sing and dance in time to the beat of the music

Watch, sing, dance and play instruments to some Christmas songs:

<https://www.youtube.com/watch?v=grhi8MLM1i8>

Maths

LO: To know some of the properties of 3 d shapes.

Starter

Looking at 3d shape power point quiz

Activity

With support and shapes to look at can they fill in the chart - explain what each feature is and make sure they understand before they start.

Resources

3d powerpoint

3d sheet to write on

DT/ART

L.O. To decorate the front of our Christmas cards

Starter

What things remind us of Christmas? Let's brainstorm and draw some pictures and words on the class screen. Ok we are going to make to go on the front of our card.

We are going to use finger prints to make reindeer, snow men or robins fairy lights- different colours- give a choice

Activity

Decorate the front of your card using paint and finger prints or draw a xmas picture.

Decide who you want to send it to.

Write inside on the next day with support from your adults writing as much as you can and adults helping you do the rest..

Write Happy Christmas or Merry Christmas inside

Thursday

Topic/History

LO: To know the timeline of the space journey.

Where and when the first moon landing rocket was launched.

Watch powerpoint (Twinkl) and discuss that it was started not that long ago but lots of things have happened quite quickly and people from lots of different countries.

Make a shorter time line than is available and less pictures.

Resources

Powerpoint Twinkl

Timeline pictures- use as many pictures as you think your child can manage to remember.

RE

L.O. To re-tell the Nativity story

Starter

Watch BBC Teach video: The Christian Story of the first Christmas - Religions of the World

<https://www.youtube.com/watch?v=FrTFAZPQxpE>

Activity

Choose and print off the relevant page for your child's ability. Write some words/phrases/sentences to re-tell the Nativity story.

Life skills

LO: To plan a healthy Christmas dinner

Starter

Look at healthy eating plate. The foods are put into groups. Can you name any of the foods or the group names? What makes a food healthy or unhealthy?

Activity

At Christmas we sometimes have more than one course of food during dinner. Can you plan a healthy Christmas dinner and desert?

Use a circle of paper or paper plate and cut out different foods to make 2 healthy plates of food. Stick them onto your plate.

Friday

Science

LO: To describe and classify materials.

Starter

Read the Aliens are Coming <https://www.youtube.com/watch?v=psKDT2oLzIA>

Activity

Make a welcome to Earth box for the Alien visitors to help them understand our planet.

Select samples and everyday objects and make labels for them saying what they are made from and some simple properties and what it can be used for.

Children to make own labels for things around the house.

Have labels with lines on and string to attach to objects- remind your child that aliens won't know what things are or what they are made of.

Challenge:

Children think of questions to ask the Aliens about objects on their planet and what they are made from.

Art

Continue with Christmas cards- can they try and make a moving part xmas card or an tree ornament (spiral snowman)

Resources

Spiral snowman template

Food tech

LO: To be able to help make lunch or dinner.

Can you help make lunch or dinner with the adult in your house.

Practice chopping up the food, choosing what you have and laying the table for your family.

Don't forget to take photos.

Extra Activities

Make a Christmas hat

Christmas Sensory Bottles/bags

Write a letter to Santa

Make a collage of Santa or reindeers

Make a Christmas tree

Christmas colouring

Write a Christmas list

Make Christmas Playdough
