

## Life Skills Week 3

### Interviews

Being able to be part of an interview is very important as you start to think about what you will do after you leave education.

This task involves thinking about answers to interview questions and also thinking about the kind of questions you would need to ask to find out more about the role you are interviewing for.

**WeCanAccess** are a company who look at ways to make life easier for people with all sorts of disabilities or needs.

They are hoping we can help them with their social media by providing photos and captions of places in our environment which enable people to access experiences more easily.

Have a look at their website to find out a little more about them.

### About – WeCanAccess

Read the attached information and write out your answers to the questions they would ask you and also write some of your own questions you would like to ask them.

Unfortunately, the online conversations will only be happening in school but this experience of answering and asking questions is a valuable skill which will be extremely helpful to you whatever job you think about doing in the future.

I look forward to seeing your responses. You can email documents or photos in to [office@ifield.kent.sch.uk](mailto:office@ifield.kent.sch.uk) , or share them in our class catch up on Friday.

Have fun,

Mrs Hargood 😊
