

LI: To make a lightning bug out of a plastic bottle.

Watch and discuss one of the videos [Firefly facts: we could also say lightning bug facts! | Animal Fact Files - YouTube](#)

or

[Fireflies | Firefly Facts for Kids | Why Do Fireflies Glow ? - YouTube](#)

Discuss all steps in the instructions.

Remind about safety when holding scissors.

Encourage your child to use symbol instruction while working through the project.

After making the bug test it in a dark room. Place a glow stick inside the bug (bottle).
