

Geography Planning

LI: To use simple compass directions and directional language to describe the location of features and routes on a map.

I can recognise the four main cardinal compass points N,S,E,W.
Use language North, South, East, West

Watch and discuss the PowerPoint Compass Points explained.

Outdoor activity. Use a compass. (Download an app with a compass)
Start at a point and travel South- where do you get to? From there travel West
- where do you get to? etc.
