

Life Skills Planning

LI: To engage in a shop role play.

- Identify how much money is needed to make a purchase
- Identify how many coins are needed
- Use polite words when making a purchase

Look at the selection of different coins. Encourage your child to identify different coins.

Invite your child to choose things for your shop (e.g toys, favourite snacks, clothes etc.) Encourage your child to attach prices to all the products.

Create a shop role play with one person acting as a shop assistant and another purchasing items. Help your child to calculate the amount of money needed to purchase a selection of items.
