

## Topic Week 5

### **Harry Potter and the beasts of Hogwarts**

Harry Potter comes into contact with lots of beasts in his journey through school at Hogwarts – including Voldemort himself.

Some beasts are friendly and some, not so happy to see him!

Interestingly, some of the characters can even change from humans into 'beasts' including Harry's teacher Professor Lupin and his godfather Sirius Black.

When Harry meets Sirius Black for the first time, he thinks Sirius is a bad person who should be in jail but soon discovers he is actually trying to protect him while Sirius is in disguise as a Black Dog.

Watch the two videos and then write a short your own version of what happened the night the beasts came together to help Harry Potter.
