

Sycamore Online Learning w/c 8th February 2021

Monday

Life skills - sequence the pictures to show how to make a cup of coffee and match the typed sentences to the pictures. Make a cup of coffee with adult support.

Maths:

Easy - find different objects around the house and count them.

Medium - work out the subtraction sums using the worksheets.

Hard - work out the arrays and the multiplication sums using the pictures to find the answers.

Reading - read a favourite book or listen to an adult read the book to you.

Tuesday

English - watch the story of The Tin Forest using the link [The Tin Forest by Helen Ward & Wayne Anderson - YouTube](#)

Maths:

Easy - find different objects around the house and count them.

Medium - work out the subtraction sums using the worksheets.

Hard - work out the arrays and the multiplication sums using the pictures to find the answers.

Geography - make a plan of your bedroom or another room in the house. Complete the labelling of the bedroom worksheet.

Cooking - make the chocolate biscuits using the recipe.

Wednesday

English - watch the story of the Tin Forest again using the YouTube link above.

Easy - colour the picture of the toucan.

Medium - draw a toucan and label the different parts of the toucan e.g. feet etc.

Hard - write 5 sentences to say what the book is about.

Maths:

Easy - find different objects around the house and count them.

Medium - work out the subtraction sums using the worksheets.

Hard - work out the arrays and the multiplication sums using the pictures to find the answers.

Science - find different objects in your house and then test them to see if you can see a torch light shining through them. Then say whether they are opaque, transparent or translucent. Opaque is not see-through so you won't be able to see the torch light, transparent is see-through like a window pane and translucent means partly see-through.

Art - look at the Art PowerPoint about Valentines Day and the story of St Valentine.

1. Make a Kandinsky inspired heart picture.

Thursday

English:

Easy - cut out the pictures and say what each picture shows. Then over-write the name of the animal.

Medium - tell an adult a sentence about each picture and write it down on the lines (English Thursday pages 1 and 2).

Hard - write a sentence to describe each animal in the pictures (English Thursday pages 1 and 2).

Maths:

Easy - find different objects around the house and count them.

Medium - work out the subtraction sums using the worksheets.

Hard - work out the arrays and the multiplication sums using the pictures to find the answers.

Science - draw round your shadow outside. Complete the worksheet to match the shadow objects to the real object.

DT - Make a crocodile from egg boxes.

Friday

English:

Easy - write labels to label the toucan e.g. feet, beak etc.

Medium - write 2 sentences to describe the toucan.

Hard - write 5 sentences to describe the toucan.

RE - look at the Valentine's Day PowerPoint from Wednesday. Read through and discuss what things people buy for Valentine's Day. Make a Valentine's Day card for someone.

DT - look at the DT PowerPoint for Friday. Make a heart wreath using the instructions.

Have a lovely Half Term and keep up the home learning.
