

Topic Week 6

The World of Wizards and Wands

Harry (Harry Potter) and Newt (Fantastic Beasts and Where to Find Them) both come into contact with many different beasts and creatures on their travels.

Watch the clip and see how all the beasts differ in size to each other. There are 30 included in the video!

[Harry Potter Creatures II Size Comparison - YouTube](#)

This week I would like you to choose two of the creatures and compare them using lovely descriptive language and exciting sentence starters. You don't have to know exactly what they can do, you can use your imagination as much as you need to.

Comparison needs you to think about one thing they both have or can do, but think about how it may be different.

For example. I could compare a Hungarian Horntail dragon and a Hippogriff.

Did you know, both the Hungarian Horntail dragon and the Hippogriff both have wings, however the scary Horntail dragon has powerful, scaly wings but the Hippogriff has silky smooth, feathery wings to glide through the skies above Hogwarts?

Some useful conjunctions to use when comparing:

but, however and yet.

Some useful starters to use:

Did you know...?

On the other hand...

A surprising feature of the ...

You may not know this but...

I look forward to reading your fantastic pieces. You can email the description in to homelearning@ifield.kent.sch.uk or share them in our class catch up on Friday.

Have fun,

Mrs Hargood 😊
