Choose the work that is appropriate for the ability of your child.

Monday

Phonics

Phase 1:

Explore the different sounds that you can make with your voice and body. There is a sheet of ideas on Ifield Website. Play a game of 'copy me'.

Phase 3:

Letters and Sounds 'oo' short oo sounds eg book, look

https://www.youtube.com/watch?v=Nw_6ZaV3KpE

Print page 3 of the short 'oo' sound activity sheet and complete.

Phase 5

We are going to review some of the phonemes we have learnt and practise blending and segmenting

<https://www.youtube.com/watch?v=S2vdHpxk0TI&list=PLuGr6z2H2KNHYn40Dv4gIRCIoiUg2cA-Q&index=12>

Literacy

LO: To read a letter from a friend

Starter

Watch short video about a letter from Paddington. The Adventures of Paddington | Paddington and The Stamp | Nick Jr. UK

<https://www.youtube.com/watch?v=3IhJoDhUaB8>

Activity

In that video Paddington was writing a letter to Aunt Lucy in Peru. He has also sent a letter to Hazel Class from his holiday home in Brazil !!

Activity

Higher and Middle Ability:

Encourage the pupils to read the letter and talk about it and the photographs. Adults to write down comments from the children on a large sheet of paper (mind map). Have a CiP sheet with relevant words available to prompt conversations.

Lower Ability: Intensive Interaction - adult copies some of the sounds and actions that the child makes in their play. This is done in turns as we do in a conversation. After a while you may notice your child becoming aware of their surroundings and your actions. They may even give fleeting eye contact. Our pupils enjoy this type of interactive play

Maths

LO: To explore where numbers are placed on number lines

Starter

Practise counting to 20 forwards and backwards.

Activity

Higher Ability - introduce 100 square. Talk about positioning of numerals. Practise counting to and across 100 forwards and backwards from any given number. Identify 10's colour them one colour. Find the 5's colour the squares a different colour.

Middle Ability - complete the missing numbers on the number line independently

Lower Ability - explore numerals in gloop

Food Technology

LO: To make marmalade sandwiches

Starter

Watch video of Paddington making marmalade:

<https://www.youtube.com/watch?v=i5EHEZUAFVc>

Discuss how we make sandwiches - shared writing adult to scribe children's ideas for step by step instructions.

Activity

Make marmalade sandwiches for a classroom picnic with Paddington.

Challenge

Write your own instructions for making a sandwich

Tuesday

Phonics

Phase 1:

Drum outdoors

Give your child a beater or drumstick. Encourage them to explore the outdoor area and discover how different sounds are made by tapping or stroking with their beaters eg against the floor, fence and different types of surfaces.

Phase 3: Play Phonicopoly 'oo' sounds

Phase 5: Learn some longer words.

<https://www.youtube.com/watch?v=euiOiFmLD-k>

Literacy

LO: To identify the features of a letter

Starter

lets look closer at the different parts of a letter. Identify where the address is placed etc. Adult to model labelling the different parts of the letter.

Activity

Pupils to label their own copy of the letter.

Higher Ability - write the labels (word bank available for spellings)

Middle Ability - use CiP symbols to label a letter

Lower Ability - Write Dance <https://www.youtube.com/watch?v=HbCNMQPMON8>

Science

LO: To change materials, talk about and record what has happened.

Activity

Read through Materials Information Power Point [Twinkl]

Discuss the properties of a material you have at home eg metal coins. Encourage your child to predict what will happen when the coins are put in different solutions - will they change? If so how? You could have a saucer of water, saucer of milk, saucer of vinegar, saucer of ketchup. Put a coin in each and watch what happens to the metal - does it change? Discuss and record the results. Reflect upon their predictions. Were they right?

You could try heating and freezing wax crayons predict what will happen. Discuss and record the results.

PE Enrichment

Our activity this term is going to Ifield Woodlands. Put on some sturdy boots or wellies and go for a walk - even if it's raining - find some puddles to jump in! Have some fun. Encourage your child to take some photographs (developing their ICT skills).

Wednesday

RE

LO: To find out about Christian season of Lent

Starter

Read Lent Assembly Power point [Twinkl] and discuss the season and what it means to Christians. Discussion - if you were a Christian, what do you enjoy that you would give up for Lent?

Activity

Higher and Middle Ability

Complete KS1 Lent worksheet [Twinkl]

Lower Ability

Make and eat pancakes!

Maths

LO: To identify more and less

Starter

Recap on yesterday's work. Extend the number line work by using it for counting (using bounce lines) forwards and backwards. Today we are going to learn about one more and one less using numbers.

Activity

Higher Ability - can identify one more and one less using a 100 square.

Middle Ability - practise counting one more from a given number on a number line

Lower Ability - practise number rhymes with numerals and objects eg 5 little specked frogs

PE

Watch and join in Joe Wicks PE Monday 8th February.

<https://www.youtube.com/watch?v=YvrtftiOOVw>

Thursday

Art

LO: To create a work of art in pastel inspired by Rousseau

Starter

Look at the work of art by Henri Rousseau: Tropical storm with tiger.

Use a sheet of CiP symbols to discuss the work of art eg likes, dislikes (and why), colours, shapes, brush strokes etc.

Activity

Play video whilst pupils are recreating their own work of art

<https://www.youtube.com/watch?v=8myYyMg1fFE>

Dance/Mile Walk

L.O. To enjoy some exercise and or fresh air

Dance Party! Dance songs for kids - Actions Song - Bounce Patrol

<https://www.youtube.com/watch?v=6R0vOovq1hs>

Music

L.O. To enjoy music with Mrs Stevens

Mrs Stevens has made some videos which follow the usual music lesson routine. Please click on the link for Hazel Class:

<https://www.ifieldschool.com/page/?title=Term+3&pid=1469>

PSHE

LO: To make a calm kit

Starter

In our PSHE lessons we have been focusing on our feelings, using the zones of regulation. We have looked at using the zones of regulation colours to help us to identify how we are feeling and strategies that we can use to help us.

Today we are going to look at strategies that can help us keep calm. Talk to your neighbour or an adult about different things we could do if we are feeling, angry (red zone), sad (blue zone) or worried (yellow zone). Come back together as a group and share our ideas/strategies - adult to scribe.

Activity

We are going to use some of these ideas to make a calm kit/box. It might contain photographs that make us smile, things that we can twiddle in our fingers, happy statements we can read, pictures of our family and pets (drawn). Split into groups and make a calm kit.

Friday

Phonics

Lower ability watch and join in a Phase 1 Letters and Sounds video

<https://www.youtube.com/watch?v=T4fvEl8MIvs>

middle ability - Phase 3 Practise our phonics, reading and spelling through fun games on

www.Phonicsplay.co.uk

higher ability - Phase 5 Practise our phonics, reading and spelling through fun games on

www.Phonicsplay.co.uk

Literacy

To write a letter back to Paddington

Starter

We have been looking at Paddington's letter inviting us to go to Brazil. Let's work together to draft a response. Shared writing of a letter.

Activity

Pupils to write their own letter to Paddington, using the shared writing letter for reference.

Higher Ability - write as independently as possible

Middle Ability - dictate to adult what they would write in their letter

Lower Ability - explore mark making with different sized crayons (mixture of large and small, thick and thin) on large pieces of paper.

Maths

LO: To use our knowledge of numbers to play a game

Activity

Play a game at home with numbers and counting eg Ludo, Connect four, Snakes and ladders

Lower Ability:

Watch and join in with some counting songs. Top 10 counting songs I learn to count I Super Simple Songs

<https://www.youtube.com/watch?v=7D4K9oi7oBM>

Life skills

LO: To learn how to set and clear a table

Starter

Watch - Be our Guest video

<https://www.youtube.com/watch?v=afzmmwAKUppU>

Activity

Group 1: Pupils practise setting and clearing the table. Counting how many people for lunch and finding the correct number of items.

Group 2: sequencing a schedule of how to set and clear a table.

Lower Ability: Make own place mat by drawing around plate and cutlery with support.
