

The Wizard of Oz.

Once upon a time there was a storm and Dorothy's house flew up, over the rainbow.

Dorothy found herself in Munchkinland.

Dorothy travelled to the Emerald City. The Wizard told her that she had to get the Wicked Witch's broomstick before she could go home.

Dorothy and her new friends; Scarecrow, Tin Man and Lion, went to find the Wicked Witch.

Dorothy and her friends melted the Wicked Witch with a bucket of water.

Dorothy's magic shoes helped her to return home where she lived happily ever after.
