

LI: To create an object with dough and pebbles.

Recall previous lesson.

Explain that today you will continue working with pebbles and that your task will be to design and make an object with salty dough and pebbles.

Look at the examples of objects made with this technique. (See pebbles and salty dough pictures).

Discuss these pictures. Invite your child to choose his favourite that he would like to make.

- Make salty dough (see the recipe and visual cards in resources).
- Attach pebbles to salty dough to create your favourite object.

You will need:

Salty dough recipe

Flour

Salt

Food colouring

Lots of pebbles
