## Art

We have been looking at the artist Andy Warhol and pop art. We photographed our own soup tins that we bought in from home using iPads we then identified and chose our own colours to paint these photos. We then copied these and using good scissor control we cut different collage materials to build a collage effect picture. We put it altogether to resemble something like Andy Warhol may have done.

## EHCP reviews

For pupils in Explore, EHCP reviews will be held during the week commencing :

**Monday 2nd March 2020**

## Life Skills

Pupils will enjoy a weekly visit to Jeskyns park where pupils can enjoy the experience of climbing the treehouse and climbing through apparatus around the large sand pit as well as benefitting from the fresh air and There are many trails which lead to different areas including wooded areas and a Fairy Ring. We will wrap up warm and endeavour to continue with these visits as long as the weather is fine. We consider that these visits enhance pupil wellbeing.
