Activity

An example of a factor family made up of the numbers 2, 3 and 5:

$$2+3=5$$

$$3+2=5$$

$$5-3=2$$

$$5-2=3$$

Higher Ability - Addition and subtraction fact families to 20 [page 2]

Middle Ability- Addition and subtraction fact families to 10 [page 1]

Design Technology

LO: To make a handprint woodland animal

Encourage your child to draw around their hand and colour it in and cut it out. Use googly eyes or draw some facial features and stick them onto your creature. Please take a photograph of their work and email it into school.

Tuesday

Literacy

LO: To infer how the hedgehog is feeling

Starter

Watch the story again to refresh our memory

[Autumn Stories For Kids | The Fall and Harvest Time | Read in English | The Very Helpful Hedgehog - YouTube](#)

Activity

Write about the hedgehog. How is he feeling? Why do you think that?
There are some symbols to help you.

Science

LO: To look at animal habitats

Starter

Look at the powerpoint about animal habitats.

Activity

Higher Ability Match woodland animals, their homes and food.

Middle Ability Match woodland animals and their food

PE Enrichment

Lets go rambling! Put on some sturdy boots or wellies and go for a walk - even if it's raining - find some puddles to jump in! Have some fun. Encourage your child to take some photographs (developing their ICT skills).

Wednesday

RE

LO: To learn how Jewish people care for others

Starter

Look through the powerpoint - Jewish people care for others in their community by volunteering eg cleaning, shopping, listening to others.

Activity

Pupils to write a pledge; if they were Jewish how would they help their community?

Higher Ability complete sentence without symbols

Middle Ability complete sentence using symbols

Maths

LO: To practise addition and subtraction

Starter

On Monday, we started looking at factor families within 10 or 20. Can you solve some problems using some of the addition and subtraction facts that you learnt about?

Activity

Higher Ability: problem solving cards up to 20

Middle Ability: problem solving cards up to 10

PE

Watch and join in with Cosmic Kids Yoga:

[Ruby Broom 🧹 | A Halloween Cosmic Kids Yoga Adventure! - YouTube](#)

Thursday

Art

L.O. To make a hand print tree

Activity

[Make a Fall Tree | Fun DIY Kids Art Project - YouTube](#)

Dance/Mile Walk

L.O. To enjoy some exercise and or fresh air

Activity

Practise some dance moves!

[The Skeleton Dance + More | Dance Songs for Kids | Super Simple Songs - YouTube](#)

Music

L.O. To enjoy music and singing

[SingingHandsUK - YouTube](#)

PSHE

L.O. To think about friendship skills

Starter

Look through the power point about being a good friend.

Activity

Pupils to look at the pictures and discuss whether the children are behaving like a good friend or not.

Friday

Phonics

middle ability – Practise the Phase 3 tricky words song

<https://www.youtube.com/watch?v=R087lYrRpgY>

higher ability – Practise the Tricky word song

<https://www.youtube.com/watch?v=3NOzgR1ANc4>

Literacy

LO: To read a caption

Starter

[CBeebies | Mr Tumble's Alphabet Song - YouTube](#)

Activity

Lower ability: Phase 2 - match the caption to the picture

Middle Ability: Phase 3 - match the caption to the picture

Higher ability: Phase 5 - match the caption to the picture

Maths

LO: To practise addition and subtraction

Starter

On Monday, we started looking at factor families within 10 or 20. Can you solve some problems using some of the addition and subtraction facts that you learnt about?

Activity

Higher Ability: problem solving cards up to 20

Middle Ability: problem solving cards up to 10

Life skills

LO: To learn about using money

Starter

When we want something we can't just go to the shops and pick it up; we need to use money to buy it. Different items cost different amounts of money. Some items are very expensive and we have to save up money to buy them. Have you ever saved up your birthday money to buy anything?

Let's practise buying things using Counting Pennies Powerpoint [Twinkl].

Activity

Middle and Higher Ability

Practise buying toys:
