[The Pirates Next Door \[Children's story | Read Aloud\] - YouTube](#)

Watch the story on the link.

LI: I can understand the story and explain what happens.

Write a sentence about a character in the story.

If you need a bit of help, you can use the colourful semantic sentences to help you write your sentence.

Who? When? Where? How? What?

Comprehension: ask your child a question, the answers are below.

- 1. Where does Matilda live?**
- 2. Who did Matilda want to live next door?**
- 3. What did the pirate mum dig up?**
- 4. What does pirate dad say?**
- 5. Where does grandad pirate live?**

Ans: 1. Dull-on-sea 2. Pirate boy 3. Grass 4. Oo-ar 5. Lives on the boat.

Science

LI: I can predict which items might float, and which might sink.

In science, we will be thinking about materials that will float and materials that will sink.

Can you use the table on the next page to predict whether these materials and items might float or sink? If you have the materials in your house, you can have a go at testing them out and filling in the results column!

Colouring sheets

Here are some colouring sheets for you to enjoy!

Our topic this term is 'Land Ahoy', so I have found some pictures of London for you to colour. Think about what colours you might see in the oceans, think about what creatures you find below the waves.

Draw your own picture of what you might find beneath the waves.
