

# **Sycamore Class Home Learning**

**Friday 26<sup>th</sup> November**

# Art

LI: I can make a pirate ship.

You can make a pirate ship out of recycled materials e.g. cereal boxes, toilet rolls, yoghurt pots empty plastic bottles.

If you are stuck for ideas check out this link [PLAY | Making BOATS From Recyclables! - YouTube](#)

Take a picture and send it to Sycamore class or bring it in when we return to school.

# Maths

**LI: I can consolidate my skills on measurement (length).**

**Can you order the caterpillars on the next page from longest to shortest? You can number them or cut them out and stick them on the back of this sheet.**

**If you would like something else to do, find some items around the house and have a go at measuring them using a ruler or tape measure? You can use the table on the next page to record what you measure.**

What I measured	How long?
Book	30cm

# Phonics

**LI: I can read and write tricky words.**

[Dragons Den \(phonicsplay.co.uk\)](http://phonicsplay.co.uk)

# Music

**I have included the PowerPoint with all of our Christmas songs on the website. See if you can practice singing them. How many of the actions can you remember for Kuyimba and All Around the World!**

# Colouring sheets

**Here are some colouring sheets for you to enjoy!**

**Here are some colouring sheets for you to enjoy. As you have been practicing your Christmas songs, I have found some lovely Christmas colouring!**
